Since 1872, the New York Times has been a leading source for news and information for New York City, New York State, the United States and the world. The Times is known for its in-depth reporting, analysis and investigative journalism, as well as its coverage of national and international events. The newspaper has won numerous awards for its reporting, including the Pulitzer Prize. The Times is owned by The New York Times Company, which also publishes the New York Times Magazine and various other newspapers and websites. The New York Times is available online, in print and through mobile apps. It is considered one of the most influential and respected news organizations in the world.
